Hello Parents,

We will be having final exams next week from January 20-22nd. Please be aware of the modified schedule which exists for these days. Encourage your child to prepare himself for the tests for they constitute 20% of the semester grade, the semester grade is the permanent grade that appears on students' transcripts which universities will see when they apply. On that note, we've had another Senior get accepted to a four year university. Senior Harley Wickline was recently accepted to Concordia University, Michigan. All eight seniors who have applied so far have been accepted to four year universities. This is a 100% approval rate thus far. Praise be to God.

I have spoken to students about our end of the year trip which will be occurring from May 31st to June 4th and told them they need to let me know if they will be attending. This year we will be river rafting, visiting Yosemite and San Francisco, and camping in some of God's beautiful creation throughout California. Other details will be fleshed out as numbers become finalized. All students who don't go on the year-end trip will be in school working on projects under supervision. I anticipate the cost for this event will again be \$300.00 and covers everything except for a few meals. If your child will be attending, please confirm this with Denise or me in the office, and at your convenience, submit a deposit of \$100.00.

We will be having a Parent Meeting tomorrow at 6:30. This would be a good time to have any questions answered you may have and hear about recent news at our school.

May our good God richly bless you and keep you in the days to come.

Lucas Fitzgerald
