Hello Parents,

We are approximately halfway through our 3rd quarter grading period and overall I'm impressed with the diligence and willingness of our students concerning their student performance. Teachers have commented to me on numerous occasions with things like, "we have good kids", "I have no problems with my students", and "our kids are so respectful." It's occasionally difficult for me as principal to take a step back from the daily minutia and recognize that, indeed, the fine work of Christian education is occurring day by day on our campus. This is encouraging to me and hopefully to you as well.

Thank you to the families who have already re-enrolled their children for the 2010-2011 school year. If you have not yet submitted your re-enrollment forms / enrollment fee for next year, the early re-enrollment period will last until April 1st. Families re-enrolling during this period will receive \$50.00 of their enrollment fee and secure their child's place in next year's class.

We have begun our baseball, volleyball, and golf seasons in the last two weeks. All three of these teams have traditionally been in contention for league titles and have advanced to the C.I.F. playoffs. Please see our website for scheduling information for home and away athletic contests.

There are several opportunities for parent hours in the coming weeks. Our auction committee's meetings/activities are traditionally an excellent opportunity to complete hours and help PLHS. Last year's auction provided the funds to have Ms. Flett come on and help us with our college counseling. Please communicate with Kevin Fishel (Auction coordinator) at kfishel@earthlink.net if you are willing to help with the auction; I'm sure he could use auction assistance.

Denise will be out of the office starting this Friday through next week. She will be returning Monday, March 15. We have several parents who have volunteered to handle phone/office duties in the morning while I am teaching. I appreciate this help very much. If there are fairly significant issues you need dealt with by Denise, please take care of these with her today or tomorrow before she leaves. I will be available all next week to handle any issues Denise might normally help me with.

May our good God bless and keep you today and the days to come.

In Christ,

Lucas Fitzgerald
 Principal
