Hello Parents,

I'm sending home your student's 3rd quarter grades today. If you could sign the report card, and return it to the school office that would help our communication regarding your child's performance. After skimming through the grades it appears that students have overwhelmingly performed well for this third quarter. If your child has done well, please encourage her in the fine work.

We'll be having our Parent meeting next Wednesday April 8th instead of Thursday so families will not miss out on an opportunity for Maundy Thursday services. At this meeting we'll discuss Senior graduation, our end of the year trip, Spring Week, prom, changes and additions for next year, etc. It is our second to last parent meeting for the year, and contains much important information. Please make it a point to attend if you are able.

Yesterday marked the end of the priority reenrollment period for our school. Thank you to the dozens of families who have reinvested in us for another year of Christian education. Your child should have received his/her schedule by now. If this has not occurred please have your child see me and I will give it to him. For families who have not yet re-enrolled, we are now in the "Open Enrollment" registration period. Re-enrollment forms are taken on a first-come, first served basis until/if the class becomes full. The full enrollment fee of \$500.00 is required. The sooner these are turned in, the more effectively I can plan for next year's teacher contracts, courses offered, textbooks needed, etc.

We will be having our annual Dinner Auction, "Poor Man Luther", this May 2nd. Proceeds from this event will go towards an improvement in our college counseling capabilities and also help to defray the costs of up to four new classes which will be added next year. Historically 60-80 parents have attended this auction to help ensure its success. The night consists of dinner, entertainment, raffles, and silent and live auctions all benefitting Pacific Lutheran High School. If you are able to donate an item, get your company to sponsor a table, purchase tickets for others to attend, etc., that would be appreciated.

Please let me know what/if I can do for your child to make it an even better experience here at P.L.H.S. May our Lord bless and keep you and also help us as we seek His blessings in training your child with a Christian education.

In Christ,

Lucas Fitzgerald
