Hello Parents,

As of this Friday we will have finished our last week of classroom instruction before our 2nd semester Finals begin next week. Please note the Finals schedule found in the box next to this message. I have allowed students to take their finals in "free dress." Students still need to come to school in dress code this Tuesday. Please help your student to get the necessary sleep and healthy food they need to do their best on their examinations. Students have been given review sheets for their courses and should have everything they need at this point to do well.

I have had several students and/or parents bring me forms from local junior colleges and SCROC. I'm excited as I see students taking courses in welding, computer applications, reading, writing, EMT preparation, etc. as they keep their minds active this summer. If your child will be taking a course this summer (and they'd like this to show up on their high school transcript), I must approve this course and sign a registration form for them.

On this note, Pacific Lutheran will be offering a summer Writing course this summer from July 6th to August 6th Monday to Thursday from 9:00 a.m. until noon. Please let me know if you're interested in having your son or daughter take this course. The cost of this one-semester course is \$500.00 and includes any writing materials, course book, etc.

I am very much looking forward to our end of the year trip taking place the first week of June. This will be a great opportunity to fellowship, participate in devotions, learn about God's wonderful creation, create fond memories, etc. Students not attending this trip will be in school working on research papers with teachers who are not attending this trip.

Following our end of the year trip, we have finals to go over, papers to hand back, clean-up to accomplish, some debriefing to do with students, etc. to keep us busy. The final day of school will be June 9th for Seniors and June 10th for our Freshmen-Juniors. Please let me know if you have questions as our school year winds down and we look ahead towards our summer.

Have a blessed day.

In Christ,

Lucas Fitzgerald
