Hello Parents,

As you know by now, I cancelled the remainder of school after third period classes due to a sustained, foul smell on campus. This, coupled with the heat, made it an inappropriate learning environment for our students. I have contacted the Southern California Air Quality Management District and the local Torrance fire department and was told a number of complaints had come in, but the source had not been located as of the time of this letter. I will let you know if/when I hear anything further about this. We will have a normal school day tomorrow. Thanks for being understanding about any inconvenience this has caused you or your family members, but student safety is the most important job I have as principal and I made this decision in their interests.

We had a fine turnout at our Poquito Mas Fundraiser with about 40% of our school families represented. Thank you to all of you who took the time (and your stomachs) to support our school. The fundraiser brought in approximately \$150.00.

Our Iowa Test results have come in and I'm presently meeting with students to go over them and explain what they show at this point in time. I will be sending home a copy of these results early next week, and will be showing parents how to interpret them at our next Parent Meeting on October 8th.

May our good and loving Lord bless you, and our school in the months to come.

In Christ,

Lucas Fitzgerald

Parent Hour Opportunities

We are looking for any interested parents to take one/some of our International Students on cultural excursions which show them parts of America they might not ordinarily see. If you'd like to take a student on a "field trip", please contact Kevin Steffens in the school office.
